The screenshot displays the 4dev.com dashboard. At the top, there's a navigation bar with the 4dev.com logo, a 'Recharge' button, and an 'Exchange' section showing rates for USD (8,40) and EUR (0,94). The main dashboard includes a sidebar with navigation options: Home, Tasks, Contractors, Documents, and Company. A central card prompts the user to 'Set up login using code from the app' with an 'Enable' button. To the right, there's a 'Create a task' button and an 'Exchange currency' section showing a transaction of 1,00 \$ to 0,93 €.

Overlaid on the dashboard is a modal window titled 'Choose a contractor'. It features a progress indicator at the top with three steps: 1. Choose a contractor (active), 2. Work description, and 3. Task details. The modal contains a form with the following fields:

- 'Amount *' with a text input field.
- 'Currency' with a dropdown menu set to 'USD'.
- 'Choose a contractor *' with a dropdown menu.

A second modal window titled 'Funding account' is also overlaid. It prompts the user to 'Enter the top-up amount *?' with a text input field containing '1000'. Below this is a 'Currency' dropdown menu set to 'USD'. At the bottom of this modal are 'Close' and 'Create an invoice' buttons.
